USBC Sample Payoff Chart and Sample Prize List Directions

To use these forms, you will need to follow this process:

1 – If your computer does not have the Mozilla Firefox browser, you will need to download it to open these forms.

2 – Right click on the address bar and copy the link for this instruction page.

3 – Open Mozilla Firefox and copy and paste the link below into the address bar of the Firefox window.

https://images.bowl.com/bowl/media/legacy/internap/bowl/rules/pdfs/SamplePrizeFundPayoff6-25-09.pdf

4 – When the form opens in Firefox, save the form to your desktop.

5 – From the desktop, right click on the form and from the 'Open with' option, choose either Adobe pdf or Kofax Power pdf Advanced.

The form will now work, and you can create a customized Payoff Chart or Prize List.
