

Standard Division champions

The Standard Division was introduced at the 2017 USBC Open Championships. The division features individuals with entering averages of 181-209, doubles pairs with combined entering averages of 361-418 and teams with combined averages of 901-1,045. In 2019, the average requirements changed to use tournament/Sport averages. The new breakdowns are 156-175; 311-350; 776-875.
