## Legend

Regular - T, team; D, doubles; S, singles; A, all-events; TA, Team All-Events. The Regular Division is for teams with more than a 900 team average, doubles (more than 360 average), singles and all-events (more than 180 average). Averages were changed in 2019 to utilize tournament averages (176 and above; 351 and above; 876 and above).

C, Classic - The Classic Division began in 1961 to separate the professional and non-professional entrants in the tournament. It was discontinued after 1979.

B, Booster - The Booster Division began in 1916 for teams that had a 900 team average or less. Until 1936, teams in the division were from the host city area. In 1937, the division opened to any teams that qualified.

CL, Classified - The Booster team concept was expanded in 1999. In addition to the team event for teams that had a 900 team average or less, divisions were added for doubles (360 average or less) and singles and all-events (180 average or less). Averages were changed in 2019 to utilize tournament averages (155 and below; 310 and below, 775 and below).

S, Standard - The Standard Division was introduced in 2017 for bowlers with averages of 181-209, plus doubles (361-418) and team (901-1,045). Averages were changed in 2019 to utilize tournament averages (156-175; 311-350; 776-875).
