INDEPENDENT AUDITORS' REPORT

Board of Directors United States Bowling Congress, Inc. Arlington, Texas

Report on the Audit of the Financial Statements *Opinion*

We have audited the accompanying financial statements of United States Bowling Congress, Inc. which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United States Bowling Congress, Inc. as of December 31, 2023 and 2022, and the change in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United States Bowling Congress, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United States Bowling Congress, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of United States Bowling Congress, Inc.'s internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United States Bowling Congress, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The combining statement of net position and combining statement of activities are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Board of Directors United States Bowling Congress, Inc.

Clifton Larson Allen LLP

In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The United States Bowling Congress, Inc. (USBC) was incorporated on June 3, 2004 in the state of Wisconsin for the purposes of developing interest and participation in the sport of bowling by overseeing competition and providing programs and services to its membership. USBC also administers a scholarship program, overseen by the SMART Oversight Committee established by USBC in 2021. USBC's revenues are derived primarily from membership dues and tournament entry fees, as well as investment returns as part of administering the scholarship program. The following footnotes report information for the years ended December 31, 2023 and 2022. Significant accounting policies followed by USBC are presented below.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates

Cash Equivalents

USBC considers all liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Accounts Receivable and Allowance for Credit Losses

Accounts receivable are uncollateralized obligations. Accounts receivable are stated at the invoice amount. Payments of accounts receivable are applied to the specific invoices identified on the remittance advice or, if unspecified, to the earliest unpaid invoices or unfunded scholarships.

USBC establishes an allowance for credit losses to present the net amount of accounts receivable expected to be collected. The allowance represents the estimate of expected credit losses based on a calculated percentage of sales, historical experience, current economic conditions, and certain forward-looking information. If there is a deterioration of credit worthiness, or actual defaults are higher than the historical experience, management's estimates of recoverability of amounts due to USBC could be adversely affected. All accounts or portions thereof deemed to be uncollectible or to require an excessive collection cost are written off to the allowance for doubtful accounts. The allowance for doubtful accounts was \$2,040 and \$1,300 at December 31, 2023 and 2022.

<u>Inventory</u>

Inventory consists of resale merchandise and awards and is valued at the lower of cost or net realizable value with cost determined on a first-in, first-out (FIFO) basis.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses on investments are included in the statements of activities as net investment return.

Risks and Uncertainties

USBC utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect USBC's account balances and the amounts reported in the financial statements.

Investment in International Bowling Campus, LLC

USBC owns a 50% interest in International Bowling Campus, LLC (IBC). The investment is accounted for using the equity method. Under the equity method, the investment is carried at cost, adjusted for USBC's proportionate share of undistributed earnings or losses, and capital contributions and distributions.

Property and Equipment

Property and equipment over \$5,000 with a useful life three years or more are stated at cost and depreciated on the straight-line method over their estimated useful lives, which range from 3 to 20 years.

Maintenance, repairs, and replacements are generally included as expenses of operations during the year in which the expense is incurred. Cost of replacements, which constitute improvements or extend the life of the respective assets, are recorded as additions to property and equipment.

Impairment of Long-Lived Assets

USBC reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or fair value less costs to sell.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

USBC determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets – operating and lease liability – operating, and finance leases are included in right-of-use (ROU) assets – financing and lease liability – financing in the statement of financial position.

ROU assets represent USBC's right to use an underlying asset for the lease term, and lease liabilities represent USBC's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that USBC will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. USBC has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right of use assets on the statement of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, USBC has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of all lease liabilities.

USBC has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

Net Assets

Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. However, donor-restricted contributions whose restrictions are met during the same year are directly reported as increases in net assets without donor restrictions. The net assets of USBC and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve.

Net Assets With Donor Restrictions – Those resources subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, which will be satisfied by actions of USBC or the passage of time. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. USBC does not have any net assets held in perpetuity as of December 31, 2023 and 2022.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Goodwill

Goodwill is recorded when the cost of acquired businesses exceed the fair value of the identifiable net assets acquired. USBC has elected to amortize goodwill over an estimated useful life of 10 years.

Scholarship Awards Payable

USBC administers a scholarship program for the bowling community known as Scholarship Management and Accounting Reports for Tenpins (SMART) Program. USBC collects, manages, and disburses scholarship funds for youth bowling scholarships. A scholarship awards payable is recorded for payments received. USBC effectively acts as an agent for these funds. Investment income is used to pay the administrative costs of operating the program. Investment income in excess of these administrative costs may be allocated to the accounts of the provider organizations. As of the years ended December 31, 2023 and 2022, the SMART program reflects a deficit of \$5,496,126 and \$8,128,078, respectively. On an annual basis since 2021 USBC has engaged a third-party to perform an actuarial study of the redemption of the scholarship liability. The 2023 study found that of the \$99,135,197 in scholarship liability, 45.27% or \$44,878,504 will be requested by awardees at December 31, 2023. The 2022 study found that of the \$93,697,107 in scholarship liability, 41.80% or \$39,165,390 will be requested by awardees at December 31, 2023. The cash and investment balance is greater than the actuarial redemption value of the scholarship liability.

Revenue Recognition

Revenue is recognized when performance obligations are met. Membership dues are recognized ratably over the period of membership. Unearned membership revenue is reflected as deferred revenue on the statements of financial position. Workshops and Seminars, Special Events, Booths, and Concessions, Tournament Entry and Prize Fees, Tournament and Conventions Subsidy, Brackets, and Advertising are recognized when the events are held. Tournament entry fees are collected in advance, resulting in deferred revenue (contract liability) on the statements of financial position. Royalty revenue is recognized quarterly based on use of preferred service providers and merchandise sales. Sponsorship revenue is recognized ratably over the sponsorship period. Bowlers Journal and BowlTV subscription revenue is recognized ratably over the subscription period, which provides access to either BowlTV or the Bowlers Journal.

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

Deferred Revenue

National tournaments consist of tournament subsidies and tournament entry fees. These amounts are recognized as revenue in the period in which the event is held or the related expenses are incurred.

Membership dues are recognized in the fiscal year in which the individual receives the privileges that membership offers.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

Deferred Revenue (Continued)

BowlTV subscriptions are recognized over the course of time which aligns with the individual subscription periods.

Bowlers Journal subscriptions are recognized over the course of time which aligns with the individual subscription periods.

Advertising

USBC expenses advertising costs as they are incurred.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a natural basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include salaries, fringe benefits, employee recruitment and training, professional services, supplies, awards, postage and freight, facilities, equipment maintenance and repairs, printing, promotion, sponsorships, and programs, travel, insurance, contributions, and miscellaneous expenses, which are allocated on the basis of estimates of time and effort.

Income Tax Status

The Internal Revenue Service (IRS) has issued a determination letter dated October 5, 2004, granting USBC an exemption from federal income tax under IRS Code Section 501(c)(3). However, income received from certain activities is subject to income tax as unrelated business income. No income tax expense has been recorded in the financial statements as cumulative unrelated business net operating loss carryforwards would offset any current tax liability. In addition, a 100% valuation allowance has been provided against the deferred tax asset resulting from the net operating loss carryforwards. Management is not aware of any items that could cause revocation of the tax-exempt status.

Accounting Standards Update

On January 1, 2023, USBC adopted FASB ASU 2016-13, *Financial Instruments - Credit Losses* (Topic 326): Measurement of Credit Losses on Financial Instruments, as amended, which modifies the measurement of expected credit losses. The organization adopted this new guidance utilizing the modified retrospective transition approach. The adoption of this standard did not have a material impact on the USBC's financial statements but did result in changes to USBC's accounting policies, including the recognition of credit losses based on expected future credit losses rather than incurred credit losses. USBC also updated its accounting policies for determining the recoverability of accounts receivable.

USBC extends credit to customers in the normal course of business. USBC uses a combination of historical loss experience, current economic conditions, and forward-looking information to estimate credit losses for financial assets. USBC considers various factors such as borrower credit worthiness and probability of default to estimate credit losses. Management has concluded that credit losses on balances outstanding at year-end will be immaterial.

NOTE 2 LIQUIDITY AND AVAILABILITY

USBC's liquidity goal is to have sufficient assets available to meet operational expenditures for a six-month period. USBC regularly reviews the liquidity required to meet the ongoing needs for membership, governance, research, and the services needed to support those functions. Various forms of funds are available which include cash, marketable investment securities, expected collections of receivables, and a commercial line of credit (see Note 13).

For the purpose of analyzing available resources, USBC reviews assets not covered by donor restrictions or restricted for future use. USBC also excludes assets related to the SMART program from their liquidity and availability calculation, which are overseen by the SMART Oversight Committee and designated for the ongoing needs of administering a scholarship program for the bowling community and the other services needed to support that function. As of December 31, 2023 and 2022, the following financial assets could readily be made available within one year of the statement of financial position date to meet general expenditures:

	 2023	2022
Cash and Cash Equivalents	\$ 5,240,906	\$ 18,774,591
Accounts Receivable, Net	521,365	402,065

Financial Assets Available to Meet General		
Expenditures Within One Year	\$ 33,935,727	\$ 29,284,949

NOTE 2 LIQUIDITY AND AVAILABILITY (CONTINUED)

USBC maintains the investments above in investment vehicles that allow access to these funds for satisfaction of current liabilities.

USBC's Board Designated Reserve consists of investments internally designated for specific purposes. Although USBC does not intend to spend this board-designated reserve within the next year, these amounts could be made available if necessary.

In addition to financial assets available to meet operational expenditures, USBC operates with a balanced budget to ensure that the entity can meet current and future obligations. USBC believes that future revenues will be sufficient to cover expenditures without materially impacting the entity's liquidity.

NOTE 3 INVESTMENTS

Investments consist of the following at December 31:

	2023	2022

NOTE 4 FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Equities: Valued based on the closing price reported in the active market in which the individual security is traded.

Bonds and Certificates of Deposit: Valued with an institutional bid evaluation or an institutional mid evaluation. A bid evaluation is an estimated price at which a dealer would pay for a security (typically in an institutional round lot). A mid evaluation is the average of the estimated price at which a dealer would sell a security and the estimated price at which a dealer would pay for a security (typically in an institutional round lot). Oftentimes, these evaluations are based on proprietary models which pricing vendors establish for these purposes. In some cases, there may be manual sources used when primary price vendors do not supply prices.

Mutual Funds and Exchange-Traded Funds: Valued based on quoted market prices, which represent the net asset value (NAV) of shares held by USBC at year-end.

Hedge Fund: Valued based on the NAV per unit (or its equivalent) based upon the fair value of the underlying investments. NAV is used as a practical expedient to estimate fair value. The investment strategy of the hedge fund is to maximize long-term total return, consistent with prudent investment management. The fund seeks to achieve its objective by investing in at least 70% in other commingled investment vehicles, in investment grade debt and fixed income securities rated at the time of purchase at least Baa3 or BBB- by a nationally recognized rating agency. USBC has no additional committed capital obligations.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Limited Partnerships: As part of the SMART mutual termination agreement USBC became a partner in four limited partnerships. The limited partnerships are valued at an amount equal to the ownership interest in the partners' capital, NAV, used as a practical expedient to estimate fair value. Two partnerships have a 10-year term after final closing, subject to two two-year extensions at the election of the General Partner. The investment strategy of these two limited partnerships is to achieve attractive risk-adjusted returns relative to more liquid fixed income alternatives, with an emphasis on current income and preservation of capital. The fund seeks to achieve its objective primarily by investing in senior secured, floating rate middle market loans, through wholly and partially owned holding companies and other investment vehicles.

One partnership will continue until July 31, 2031, subject to three one-year extensions at the election of the General Partner. The investment strategy of this limited partnership is to generate significant returns principally through long-term capital appreciation, by making, holding and disposing of privately negotiated equity and equity related investments in venture capital and private equity partnerships and operating companies, primarily in the healthcare, information technology, communications, and digital asset industries.

The last partnership is open-ended, allowing USBC to withdraw or submit a repurchase request at the end of the 3-year quarter date. The investment strategy of this limited partnership is to net 8%-10% yields through long-term leases on investments in long-lived, capital-intensive transportation assets (aircraft, rail, maritime, vehicles, equipment and energy logistics).

In each limited partnership, USBC may not sell, assign, or transfer its interest except with prior written consent of the General Partner. Withdrawals of capital are not permitted except in limited instances.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while USBC believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 INVESTMENT IN INTERNATIONAL BOWLING CAMPUS, LLC

IBC holds title to the land and building which USBC uses as its national headquarters. For the years ended December 31, 2023 and 2022, there was \$165,516 and \$-0- of capital contributions respectively. Summarized financial information for IBC for the years ended December 31 is shown below.

	2023	2022
Total Assets	\$ 8,248,955	\$ 8,738,144
Total Liabilities	673,314	773,241
Net Assets - Without Donor Restrictions	\$ 7,575,641	\$ 7,964,903

Capital Contributions	\$ 165,516	\$

NOTE 6 GOODWILL

During the year ended December 31, 2023, USBC purchased a Bowling program and tournament for \$100,000. No identifiable net assets were acquired by USBC through this purchase. Therefore, \$100,000 was attributed to goodwill at the time of the purchase. The statement of financial position includes \$98,333 of goodwill, net of \$1,667 of accumulated amortization as of December 31, 2023, and the statement of activities includes \$1,667 of related amortization expense for the year ended December 31, 2023.

During the year ended December 31, 2020, USBC purchased the *Bowlers Journal International* magazine, *Pro Shop Operator* magazine and its related business operations, including Bowlers Journal Championships bowling tournament for \$350,000. No identifiable net assets were acquired by USBC through this purchase. Therefore, \$350,000 was attributed to goodwill at the time of purchase. The statement of financial position includes \$233,333 and \$268,333 of goodwill, net of \$116,667 and \$81,667 of accumulated amortization as of December 31, 2023 and 2022, respectively, and the statement of activities includes \$35,000 of related amortization expense for the years ended December 31, 2023 and 2022.

NOTE 7 POSTRETIREMENT BENEFIT OBLIGATION

USBC provides defined benefit postretirement health and life benefits to certain current and former employees. Covered employees became eligible for these benefits at retirement after meeting minimum age and service requirements.

The postretirement health care plan is unfunded. The following reconciles the change in accumulated benefit obligation and the amounts included in the statements of financial position at December 31:

873,963
23,665
(81,723)
(136,859)
679,046
(78,000)
601,046

NOTE 7 POST RETIRMENT BENEFIT OBLIGATION (CONTINUED)

In accordance with GAAP, all previously unrecognized actuarial gains or losses are reflected in the statements of financial position. The plan items not yet recognized as a component of periodic plan expenses, but included as a charge to change in net assets at December 31 are as follows:

	 2023	 2022		
Cumulative Changes - Beginning of Year	\$ (322,878)	\$ (204,918)		
Actuarial Change and Current Year (Increase)				
Decrease in Net Assets	 25,067	 (117,960)		
Cumulative Changes - End of Year	\$ (297,811)	\$ (322,878)		

Net periodic postretirement benefit cost (credit) for the years ended December 31 included the following components:

	 2023	 2022
Interest Cost	\$ 33,369	\$ 23,665
Amortization of Net Gain from Prior Periods	 (37,411)	 (18,889)
Periodic Postretirement Benefit Cost (Credit)	\$ (4,042)	\$ 4,776

The following benefit payments, which reflect expected future service, as appropriate, are expected to be paid as follows:

<u>Year Ending December 31,</u>	<i>P</i>	Amount	
2024	\$	78,000	
2025		71,000	
2026		66,000	
2027		60,000	
2028		54,000	
2029 - 2033		209,000	

The assumptions used to develop the present value of the accumulated postretirement benefit obligation is as follows:

	2023	2022
Discount Rate	5.31%	4.96%
Health Care Cost Trend Rate for the New Year	5.0 to 7.0%	5.0 to 7.0%

The health care cost trend rate assumption has a significant effect on the amounts reported. The health care cost trend rate used to value the accumulated postretirement benefit obligation is 7.0% for 2023 and 2022, with an ultimate rate of 5.0%.

NOTE 8 RETIREMENT PLANS

USBC participates in a 401(k) retirement plan, along with Bowling Proprietors' Association of America, Inc. (BPAA), International Bowling Museum and Hall of Fame, Inc. (IBM&HF), IBC, and IBC Youth Bowling, Inc. (IBCYB), available to all employees who have reached the age of 21 and completed one month of service. Employees may contribute to their accounts up to the annual amount allowed by law. USBC matches 100% of the first 3% of employee contributions, plus 50% of the next 2% of the employee's contribution.

Total contribution expense recorded under the plan was \$215,554 and \$211,186 for the years ended December 31, 2023 and 2022, respectively.

NOTE 9 REVENUE

The following tables shows USBC's revenue disaggregated according to the timing of the transfer of goods or services:

NOTE 10 SIGNIFICANT ESTIMATES, CONCENTRATIONS, AND CONTINGENCIES

GAAP requires disclosure of information about certain significant estimates and current vulnerabilities due to certain concentrations. These matters include the following:

Reserve for Self-Insurance

Under its self-insurance plan, USBC accrues the estimated expense of health care claims costs based on claims filed subsequent to year-end and an additional amount for incurred but not yet reported claims based on prior experience. Accruals for such costs of \$154,771 and \$125,445 are included in accrued liabilities at December 31, 2023 and 2022, respectively. Claims payments based on actual claims ultimately filed could differ materially from these estimates.

Concentration of Credit Risk

USBC maintains the majority of its cash and investments in two commercial banks. Balances on deposit are insured by the Federal Deposit Insurance Corporation up to specified limits. Balances in excess of these limits are uninsured.

NOTE 11 RELATED PARTY TRANSACTIONS

BPAA is represented by two members on the USBC board of directors. For various shared costs, USBC has a receivable of \$383,540 and \$366,217 from BPAA as of December 31, 2023 and 2022, respectively.
