

## RERATED/ADJUSTED AVERAGES FOR BOWLERS

Information on bowlers who have been rerated/adjusted per Rule 319c is provided to strengthen the integrity of the averages used by participants in USBC-certified tournaments and to provide tournament managers with additional resources.

For more information, please see Rule 319c in the USBC Rulebook, which can be found at [BOWL.com/Rules](http://BOWL.com/Rules).

Members whose names appear on this list who believe they were not properly notified of the adjustment may contact the USBC Rules Team at [rules@bowl.com](mailto:rules@bowl.com) to protest their name being on the list.
